All Care In-Home Care Solutions Announces Grand Opening of New Medford Office

(MEDFORD, OR – March 8, 2019) – All Care In-Home Care Solutions is pleased to announce the grand opening of their new office location in Medford, OR on March 16. The office is located at 255 West Stewart Avenue, Suite 101 in Medford and will serve clients in the surrounding area.

All Care is an in-home care agency that has been providing seniors and adults with disabilities high quality and affordable access to in-home care throughout the Rogue Valley for 25 years. The company is owned and managed by brother and sister team, Ali Dean and David Pearlstein.

“All Care has been serving seniors and adults with disabilities in the Rogue Valley for nearly 25 years and has experienced extraordinary growth,” explains Dean. “In the last couple of years, we’ve implemented new technology, developed a world-class caregiver training program, and opened offices in Grants Pass and Klamath Falls. We also expanded our services to welcome clients from the Office of Developmental Disability Services and Oregon Project Independence. Since welcoming new, talented staff to the team and with the anticipation of continued growth, we made the decision to move to a larger office in Medford, Oregon.”

The new, centrally-located office allows space for a caregiver training center that is fully-equipped for comprehensive, hands-on caregiver training. The space will serve as All Care’s central office and house customer service, nursing, employee development, human resources, accounting, and scheduling departments.

All Care’s Medford office is one of three locations in Southern Oregon; the agency also has offices in Grants Pass and Klamath Falls.
